Case No. 5:25-CV-129-TES-CHW

ORDER

Petitioner Ramon Jerel Mims, a state prisoner currently confined in the Coffee Correctional Facility in Nicholls, Georgia, filed a 28 U.S.C. § 2254 petition for writ of habeas corpus (ECF No. 1). He challenges his February 1, 2017 conviction in the Superior Court of Bibb County, Georgia. ECF No. 1 at 1. Petitioner also filed a motion for an extension of time to file his motion for leave to proceed *in forma pauperis* (“IFP”) (ECF No. 3) and a certified copy of his prison trust fund account statement (ECF No. 4). These submissions show that Petitioner cannot now pay the \$5.00 filing fee. Petitioner may therefore proceed IFP in this case, and his motion for an extension of time to produce his trust fund account information is **DENIED as moot**.

It is now **ORDERED** that, within thirty (30) days of the date of this Order, Petitioner amend his petition to include every unalleged possible constitutional error or deprivation entitling him to federal habeas corpus relief, failing which Petitioner will be presumed to have deliberately waived his right to complain of any constitutional errors or deprivations other than those set forth in his initial habeas petition. If amended, Petitioner will be presumed to have deliberately waived his right to complain of any constitutional errors or deprivations other than those set forth in his initial and amended habeas petitions.

It is further **ORDERED** that Respondent file an answer to the allegations of the petition and any amendments within sixty (60) days after service of this Order and in compliance with Rule 5 of the Rules Governing Section 2254 Cases. Either with the filing of the answer or within fifteen (15) days after the answer is filed, Respondent shall move for the petition to be dismissed or shall explain in writing why the petition cannot be adjudicated by a motion to dismiss. Any and all exhibits and portions of the record that Respondent relies upon must be filed contemporaneously with Respondent's answer or dispositive motion.

No discovery shall be commenced by either party without the express permission of the Court. Unless and until Petitioner demonstrates to this Court that the state habeas Court's fact-finding procedure was not adequate to afford a full and fair evidentiary hearing or that the state habeas court did not afford the opportunity for a full, fair, and adequate hearing, this Court's consideration of this habeas petition will be limited to an examination of the evidence and other matters presented to the state trial, habeas, and appellate courts.

Pursuant to the memorandum of understanding with the Attorney General of the State of Georgia, a copy of the petition and a copy of this Order shall be automatically served on the Attorney General and Respondent electronically through CM/ECF. A copy of this Order shall be served by the Clerk by U.S. mail upon Petitioner. Petitioner is advised that his failure to keep the Clerk of the Court informed as to any change of address may result in the dismissal of this action.

SO ORDERED, this 28th day of April, 2025.
